Wanted: a new Treasurer for Mudchute

Are you an accounting professional who wants to make a real difference to your favourite local charity? Would you like to add a new dimension to your professional skills and apply them in a fascinating new way? Can you spare a couple of evenings a month for a unique and stimulating volunteering role? Do you have an appetite for real responsibility as part of a board of volunteer trustees?

Did you know that....

Mudchute was rescued from developers 30 years ago by the local community, who created the charity, and to this day Mudchute is governed on behalf of the local community by a very active Board of volunteer Trustees. The Trustees are dedicated to preserving Mudchute's 32 acres of open green space as a unique resource for all, with activities including the children's nursery, the equestrian centre, over 70 allotments, the kitchen, and many events both educational and recreational. There is a wholly-owned trading company, a staff complement of over 50 (including part-time and trainee placements) and an annual turnover exceeding £1.2 million. See www.mudchute.org for further details.

Mudchute is looking for a suitable person to join the Board of Trustees and support it in the role of Treasurer, replacing the current Treasurer who is leaving at the end of June.

The Role

A full job description is available, but in summary the Treasurer is responsible for ensuring that controls are in place to meet legislative requirements, presenting monthly reports to the Board of Trustees, and filing accounts to the Charity Commission. Additionally, with Mudchute staff, the Treasurer presents the budget to the board of trustees and discusses this and other financial matters with the staff. Training will be provided where necessary and the current Treasurer will do a full hand-over.

The commitment is 1-2 evening meetings per month, usually on the Isle of Dogs, and liaison with the paid finance officer.

The Board of Trustees is very active and comprises mainly local people drawn from a wide range of professions.

The ideal person:

Is professionally qualified or part-qualified
Is committed to helping take forward Mudchute's work and vision
Is confident in presenting financial information to those who may lack specialist knowledge.

Interested? Or even just a little curious?

Act now – contact the current Treasurer, Christina Rene, by ringing 07970 167236, or email christina@renetus.com. Or just give your contact details to the office at Mudchute.

"Country life in the heart of east London"
