The Mudchute Association was formed in order to:

- Preserve 32 acres (13 hectares) of open space in the heart of the Isle of Dogs as a resource for local people
- Provide recreational and educational opportunities
- Allow equality of access for enjoyment by all

The resources it manages include:

- Mudchute Park; a large open green space managed as a country park
- A fascinating range of rare breed farm livestock, poultry, waterfowl and pets
- A professionally-run Equestrian Centre, offering BHS accredited tuition
- An Education Centre, providing environmental education and services for pre-school, after school and school holidays
- A professionally-run Children's Nursery for 12 babies and 53 pre-school children
- A Café serving food and refreshments
- A Garden Centre with quality plants at affordable prices.

Membership:

- Is open to anyone wishing to support the Association's aims
- Gives local residents the opportunity to have a say in how this valuable green space is used.

*A large and healthy membership is needed, that truly represents the local population - By joining the Association, you will help to ensure this.*
